His Majesty The King Charles III
Buckingham Palace
London SW1A 1AA

Your Majesty,

We are very saddened and shocked with the news of passing away of Her Majesty The Queen. She ascended to the throne in 1952 while she was on a visit to Kenya at The Tree Tops Hotel. She was a much loved, highly admired and longest serving monarch of the present times. Under her reign, Commonwealth grew to a family of over 50 nations. She steered the country with elegance and dignity and witnessed the evolution of the United Kingdom as multicultural and multifaith country.

Gone is the face that we loved so dearly, from the sight but never from our hearts. As her soul continues its journey to the Divine and we say farewell, let us remember and cherish the memories she has left behind.

On behalf of OneJAIN, my fellow directors and Trustees of the Institute of Jainology, UK and India, I offer our deepest sympathies to His Majesty The King, members of the Royal family and the nation and to bear this loss with equanimity. We pray that her soul attains eternal bliss.

We pledge our unflinching loyalty to His Majesty the King.

ॐ Aum Shanti Shanti Shanti
